

Healthcare Directives: From Start to Finish

It's about conversations. It's about decisions. It's about communicating what's important to you. Join Cancer Legal Care, Gilda's Club, and Minnesota Hospice to learn more about Advance Care Planning and what it means to you and your loved ones. This event is designed to meet you wherever you are in the process!

DISCUSS

Regardless of health or age, we all need to make decisions about our end-of-life wishes. A Healthcare Directive is a legal document that communicates your wishes regarding medical care when you are no longer able to. This workshop will include an informational session about Advance Care Planning with experts from the legal, medical, spiritual, and social work fields available to answer your questions.

DECIDE

Following the information session there will be 1:1 support available to assist you with questions or roadblocks as you make decisions and fill out your Healthcare Directive.

DO

Notaries will be on site to legalize finished documents. Participants will leave with 3 copies of finished documents to share with healthcare team members.

Everyone 18+ is welcome to attend.
